Are you changing schools or hoping to transfer to a four-year university after your time at EVC? We've got you covered! We know that transferring can be daunting, and we're here to make the transition seamless and efficient.

EVC has a Transfer and Career Center whose mission is to help students achieve their career and transfer goals by providing them with the tools and guidance to be successful. Our students have transferred to many universities, including Historically Black Colleges and Universities (HBCUs) and Ivy League schools.

We also have transfer agreements with CSUs and UCs for students who want to stay in-state.

“

The mentorship and community have done so much for me. For me, those are the most important resources on campus. With the support and the new connections, I accomplished a great deal with my club activities, personal growth, professional development, and future educational goals.

– Briana Bordon,
Biology Club President, Biology major

”

“

I initially struggled to find the right major, but EVC's ethnic studies, sociology courses, and the Enlace program guided me toward my passion. With the support of uplifting professors and counselors, I grew as a student and found my path at Evergreen Valley College.

– Jocelyn Peralta,
Sociology and Social Justice

”

ASSOCIATED STUDENT GOVERNMENT

The Associated Student Government, known on campus as ASG, is responsible for promoting campus-wide activities, offering club support, encouraging your involvement at EVC and the community, and creating a friendly environment for you to meet your academic goals.

ASG CLUBS

Our ASG-sponsored student clubs provide a space for students with similar interests, like the Nursing, ARROW (robotics), Auto, eSports / Gaming, Biology, Art, Vietnamese, Muslim and other great clubs!

ASPIRE

The ASPIRE (Asian/Pacific Islander Resources for Excellence) Program at Evergreen Valley College is designed to increase the academic and personal success of Asian/Pacific Islander students, utilizing the commitment and skills of faculty, staff, and mentors.

ASPIRE + PLLUS

Is a student support program that helps minimize barriers in marginalized communities within the AAPI community. The program provides a number of career workshops and speakers.

ENLACE

Enlace, which began in 1983, is an academic program, is composed of a team of college staff and community mentors, and several peer student tutors. Enlace offers courses in English, reading, math, and science. In addition, Enlace helps first semester students and transfer students.

INTERNATIONAL STUDENTS PROGRAM

Our international program not only for students looking to transfer to a four-year college, but also study in a new country (and sometimes learn a new language). Our friendly staff help you navigate the U.S. college system and provide caring support services.

UMOJA-AFFIRM

Is an academic program designed to increase African American students' retention, and transfer. However, we are more than just an academic program. Umoja-AFFIRM is a community that provides nurturing services; although specifically designed for African American students, we serve students of all ethnicities.

FREE COLLEGE CREDIT WHILE IN HIGH SCHOOL

Evergreen Valley College offers various early-college opportunities for K-12 students, allowing students to complete college courses while still enrolled in middle or high school. In addition, Dual Enrollment is open to adult education students who are enrolled in a GED or high school equivalency program at an adult school.

TYPES OF DUAL ENROLLMENT

College & Career Access Pathways (CCAP)

A student attending a high school in partnership with EVC through a CCAP Agreement and enrolls in a designated CCAP course is considered a CCAP Student. CCAP Students do not pay enrollment fees or material fees. CCAP Students can take up to 15 units per semester (4 courses).

Concurrent

Any high school student taking a class at their own accord is considered a concurrent student. Most students will fall in this category. Concurrent students do not pay enrollment fees and can take up to 11 units in Fall/Spring and 7 units in the Summer.

TRIO TALENT SEARCH is a free, federally-funded program that serves five target High Schools in San Jose, helping low-income and potential first-generation students successfully graduate from secondary school and enroll in post-secondary education.

UPWARD BOUND

Upward Bound serves: high school students from low-income families; and high school students from families in which neither parent holds a bachelor's degree. The goal of Upward Bound is to increase the rate at which participants complete secondary education and enroll in and graduate from institutions of postsecondary education.

TRIO SUMMER RESIDENTIAL PROGRAM encompasses a six-week collegegoing experience. Students engage in five weeks of college courses and one week at a university residence hall with Upward Bound program participants and staff.

“

As a 17-year-old heading to college it was a scary choice for me to make. I chose to attend a four-year and became very overwhelmed. After a one semester, I decided to see if community college was a better fit and EVC made me feel comfortable.

”

Our Counseling Team is committed to creating a culturally inclusive and equitable learning environment for all students.

CREATE AN ED PLAN

In order to be successful at EVC, we encourage students to visit our Counselors and develop an Ed Plan. Be sure to also use our Program Mappers online to help guide your academic journey.

HOW TO START

Go to the First Stop Center for assessment information and assistance in creating Self-Service and Canvas accounts. New Students must complete the online orientation before meeting with a counselor.

DOES MY CLASS COUNT?

Many of our students come to us from a previous university. We suggest you contact Admissions and submit your previous transcripts and then talk to a counselor about how you can complete your academic goals.

FEES TO ATTEND

For California residents, Evergreen Valley College costs \$46 per unit to attend. Non-residents and international students have a cost of \$423 per unit.

We don't want students to be burdened by finances, so we have developed options for them, including Payment Plans, Financial Aid and Scholarships.

FIRST 2 FREE

Students who don't qualify for the California Promise Grant but submitted FAFSA may still be eligible to get their fees waived if they are a new/first time student, plan to enroll for both semesters, are a California resident and meet other requirements.

DROP FOR NON PAYMENT

Students are responsible for paying their bills prior to the start of the term. The District has implemented a Drop for Non-Payment policy, if the students owe over \$100, are not part of an exempt group or have setup a payment plan, they will be dropped from future registered classes and a hold will be placed on their accounts.

PAYMENT PLANS

Payment plans make it easy to plan, budget and pay tuition payments on-time, interest free and without any surprises. Students can enroll in an available plan and make payments.

FINANCIAL AID

You are encouraged to apply for financial aid by completing and submitting the Free Application for Federal Student Aid (FAFSA), California Dream Act Application (CADAA) or California College Promise Grant (CCPG) application.

CALIFORNIA PROMISE PROGRAMS

The California College Promise Grant, serves more than 1 million California community college students each year. It waives tuition fees for eligible students.

SCHOLARSHIPS

Scholarships are a financial resource provided to students by the generosity of the San Jose Evergreen Foundation, local businesses, special programs, alumni, and a variety of other private donors. Scholarship funds help to assist students in paying their expenses when federal and state financial assistance is not enough. Scholarship funds are limited and usually awarded on a competitive and/or special criteria basis. sjeccd.academicworks.com.

REPRESENT THE HAWKS

Athletes are afforded dedicated coaches, a full-time athletics trainer, study hall, personalized counseling and rigorous training to compete in the Coast Conference.

ABOUT OUR TEAMS

The men's soccer team regularly appears in the national and state rankings and prides itself on recruiting in the City of San Jose.

Our women's soccer team is a regular fixture in the 3C2A playoffs. Over three years the Lady Hawks boast a 99 percent graduation rate.

We also offer women's badminton.

TRANSFER AS A STUDENT-ATHLETE

As a student-athlete at EVC, you are supported. You receive a dedicated counselor to setup an Ed Plan and make sure you are eligible to compete. Athletes must carry 12.0 units a semester.

Our athletes also transfer to four-year universities either to continue their studies or play at the next level.

“

I was set to go to San Diego on a full-ride athletic scholarship, but after meeting the EVC women's soccer team, I fell in love with the environment. Staying in San Jose allowed me to save money and pursue my associate's degree. Evergreen helped me grow, earn my degree, and make lifelong connections. Through a recommendation from my counselor, I even secured an internship. If it weren't for Evergreen and the amazing people I met, I wouldn't be transferring to my dream school, Cal Poly SLO.
