Responding to On-Campus Immigration Enforcement Activities

1

NOTIFY Campus Police at 408-270-6468 if you are aware of immigration enforcement activities on campus.

Police Services will contact the appropriate District or College administrator and dispatch an officer to your location.
No employee other than the Chancellor, President, or their designee is authorized to accept legal documents from immigration enforcement officers or consent to entry of District facilities by immigration enforcement officers (e.g. classrooms, office area, etc.)

2

DOCUMENT while Campus Police dispatches an officer to your location. Ask the individual who they are and what agency they represent. If they say immigration or any law enforcement agency, obtain their name, title, and badge number.

Once you call Campus Police, you may remain in the vicinity of the immigration officer and take notes on what you observe. You may return to work if an employee other than you has been designated to document the interaction.
